Our Service

The Women's Health Physiotherapy Outpatient Clinic is located on the hospital campus and offers a broad range of physiotherapy services for our female population. We provide excellent continuity of care, evidence based therapy and rehabilitation to meet our client's needs.

Our team offers assistance with:

- + Childbearing women pre/post delivery
- + Treatment of mastitis including use of therapeutic ultrasound
- + Pelvic floor muscle rehabilitation
- + Pelvic organ prolapse
- + Persistent pelvic pain
- + Rehabilitation after gynaecological surgery
- + Bladder overactivity
- + Urinary/bowel incontinence and constipation
- + Rehabilitation after breast cancer surgery
- + Lymphoedema management

Consultations

Our physiotherapists have a special interest/ training in women's health. Sessions include:

- + Comprehensive assessment to establish your goals and treatment plan
- + Individually tailored exercise programs
- + Advice and education relevant to your condition and healthy lifestyle advice
- + Guided progression to aid return to exercise, work or activities of daily living
- + Continuity of care and onsite hospital location so patients can see their doctor/specialist on the same day

**Call 3232 6190
to make an appointment**

No doctor's referral required to visit our clinic

Opening hours

Monday to Friday from 8am to 4pm

We offer competitive prices and Private health insurance rebates may apply.
